Yes, I would like information about making a bequest to the Cerebral Palsy Foundation of GBR or the Dr. Frank McMains Children's Developmental Center when planning my estate. The Center is a community partner with the Leave A Legacy of Baton Rouge Program for planned giving.

The Center provides physical therapy, occupational therapy, speech therapy, and educational therapy for children with cerebral palsy, developmental delays, and learning disabilities. We are a 501(c)3 nonprofit, an agency of the United Way, and an affiliate of UCP (United Cerebral Palsy).
